Red Cab (*red cars*)

Phone: +371 60008383

3. Public transportation in Rīga:

The main provider of public transportation in Rīga is *SIA Rīgas Satiksme*. The company runs busses, trolleybuses and trams on more than 80 routes that cover the entire city. All public transport types have strict timetables (usually from 5:00 to 0:00) and, unless anything extraordinary happens, are highly reliable. Timetables can be found at each public transport stop as well on *Rīgas Satiksme*'s [homepage](#).

Tickets

We suggest that you purchase tickets for a certain number of trips or a timed, week-long ticket that is valid for 5 consecutive business days on all routes. More information about the public transportation [tickets](#).

Where to buy tickets?

Tickets are sold at any *Narvesen* newsstand around the city or can also be purchased from ticket vending machines at most of the public transportation stops.
