

European Documentation Center

European Documentation Center
RSU Central building
Rīga, street Dzirciema 16
Room: G building, 2nd floor

EDC tasks:

- to promote and to develop studies and research in the field of European integration;
- to provide a society with neutral, accurate and factual information about the EU;
- to invite the public to the Citizens' Dialogue.

The EDC is free of charge of various types of materials on EU institutions, development, rights, science, education, economy, agriculture, the environment and social policy, legislation, etc.

Everyone can apply for free printed publications for the study process, as well as for advice on databases when sending an e-mail request: edc@rsu.lv.

The center is freely available to RSU students and academic staff, as well as to all interested.

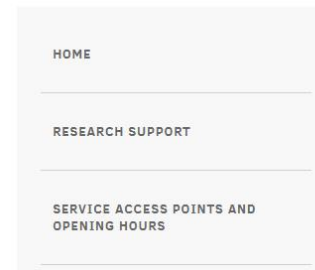

Information about EDC on RSU website

In cooperation with the European Commission a European Documentation Center has been established at Rīga Stradiņš University.

EDC objectives

- To promote and develop studies and research in the field of European integration;
- To provide the public with neutral, accurate and factual information about the EU;
- Invite the public to engage in civil dialogue.
